Sacramento, Ca

Full Time

About Enterprise Networking Solutions, Inc.

Enterprise Networking Solutions, Inc. (ENS-Inc) is an information technology consulting firm located in Sacramento, Ca. We develop and deploy proven, reliable, and scalable enterprise technology solutions. With key expertise in virtualization, cloud integration, system integration services, migration/consolidation services, business continuity, and disaster recovery. ENS-Inc Engineers and Project Managers partner with our clients on a wide range of technology projects. Founded in 1999, the ENS-Inc team is comprised of talented and respected professionals with over 100 certifications and 100 years combined experience working with the public sector in California. In addition to state agencies, ENS-Inc has also provided services to California counties, cities, education, healthcare, and law enforcement, as well as private industry and services to other states.

Job Description

ENS-Inc has an immediate opening for an experienced IT professional that will be a good fit with our team. We are looking for an energetic person who enjoys a challenge and being surrounded by extraordinary team members. This person will join our Professional Services team as a Senior Systems Engineer. The position provides consulting services to our clients around, but not limited to, Office 365, Windows, Exchange, and VMware technologies. One of the primary responsibilities of this position will be to help our clients in the planning and migration of their existing email systems from on-premises Exchange systems and other existing Microsoft cloud based email systems to new Office 365 tenants.

Other areas of expertise that we provide to our clients that may be needed in the future or would be provided as an opportunity for the right candidate to grow into are; VMware virtualization technologies, Microsoft System Center technologies, Hyperconverged technologies, conventional and All Flash storage array technologies, and network and firewall technologies.

The position will be located in Sacramento, Ca with primary work hours of Monday through Friday from 8:00am – 5:00pm. While usually not required as part of the services we offer, occasionally on-call, travel, and afterhours services may be required as part of the position.
